Dear Mr. Henry:

Re: Notice of Intention to Amend Mining Operations, South Standard Mining Company (South Standard), Trixie Shaft Area, M/049/024, Utah County, Utah

On February 19, 1993, the Division received South Standard's Amended Notice of Intention for the Trixie Shaft Area. Due to a backlog of other permit reviews, we have been unable to complete a review of your submittal within the standard 30-day timeframe. Please accept our apology for the delay and any inconvenience this may cause you.

We hope to complete our review of your application within the next 30-45 days. We appreciate your patience and understanding in this regard. Please contact me or Tony Gallegos of my staff if you have questions or concerns with this proposed review schedule.

Sincerely,

D. Wayne Hedberg  
Permit Supervisor
